

La radiologie vétérinaire notre métier

MYELOGRAPHIC ACCESSORIES

The myelographic accessories are composed of 2 parts:

- A radio transparent pannel (dimensions : 500 x 880 mm)
- A vertical support that enables the pannel to recline.

Characteristics :

- The head of the radio transparent pannel is equipped with 2 rope ties to prevent the subject from slipping down.
- The pannel can recline from 0 to 41°
- The myelographic pannel occupies a 690 to 940mm space on the table top depending on the selected reclining angle.
- Easy mounting and removal from the table top.
